Enclosure 15

This is to certify that S Abdul Rahim, a pupil of the Chikmagalur Government High School for many years, has passed the Matriculation Examination of 1903 with credit. Having carried off the First Prize in almost every class he has given sufficient indication of his superior intelligence and great application to study. He has been holding the Mahomedan Scholarship for the past four years. And I believe, he has before him, an equally brilliant University career.

His behaviour, as a student was uniformly excellent. He comes of a very respectable and influential family, being the grandson of Sanjan Abdul Khader Sahib Sar Patel (Leader of the community) of the Mahomedans of these parts. Abdul Rahim is the first Mahomedan that has passed the Matriculation Examination from the Kadur District.

He wishes to prosecute his studies at the College of Aligarh. And it is not possible to think of a student more deserving of encouragement from the State as he is one of the very best students that have come under the roof of this High School. He is therefore strongly recommended for a State Scholarship.

Sir,

I have the honor to forward the enclosed letter from Ganyam Abdul Khader Saheb Sa Patel for your kind and favorable consideration

Which should give a dispensing a youth as the grandson of the Sea Patel should stay away at home for a year as desired by Government in their Proceedings seems to be, as represented by Mr Sa Patel in his letter a really very great hardship

That the only Mahomedan that has passed the Matriculation Examination for the whole Province and the only other passed musalman that has

has applied for a Scholarship deserves the Special consideration of Government need not be pointed out by me

If such isolated and rare instances of intelligent and qualified Mahomadan youths fail to receive the support of Government, the disappointment will be a source of great discouragement to the Mahomadan youths (learning English) who are notoriously reluctant to pursue English studies The application is therefore strongly recommended by me-
